

## Membership fees

West Wales Ski Club is a not-for-profit sports club. Affiliation with our National Governing Body incurs a cost for which we enjoy participant insurance plus legislative and technical support. Individual membership fees of West Wales Ski Club are due every January and are designed to offset that affiliation cost.

**Membership fees from January 2021 will be £20 per individual** (and remain so until further notice). Concession to Welsh Squad Member £10.  
(Quarterly pro-rata payment for new member joining mid-season e.g. August joining would be Q3 and Q4 payable £10)

**Membership fees are non-refundable** (however, erroneous Standing Order payments by zero-attendance former members remain refundable for up to 15 months).

Membership forms with BACS / Standing Order information:

## Training fees

West Wales Ski Club is a not-for-profit sports club. Our training fee for 2021 includes attendance and Coaching. Historically, Ski Pembrey have supplied ski hire equipment to club participants free of charge. This remains subject to change. Please contact the slope directly for information.

**Sessional fees from January 2021 will be £12.50 per individual** (and remain so until further notice). Activity vouchers will be also available to purchase at 5 for the price of 4 (5 passes for £50).

Booking for Monday evening training closes 24hrs before start of session. This allows the coaches time to strategically plan training in advance. **Sadly, sessional fees are non-refundable from close of booking window.** This protocol has been decided by WWSC at committee level as it furthers our aim to keep attendance fees competitive and accessible.

Refunds are readily available to those who request before the 7pm Sunday 24hr deadline.

A credit voucher will be issued to members who booked with payment.

An activity voucher will be re-issued to members who booked with a voucher.

Session 1 <https://eola.co/w/1144/activities/ski-racing>

Newcomers; Snowploughers; Parallel developers; Schools racers; Academy standard; Summer league racers.
